

Audifans.net sets up shop

2003-04-06 10:08:40 by audioc

Well, almost!

We've trawled through Amazon.co.uk and looked for ALL the Audi related stuff available as a book, or on video- including official factory repair manuals, as well as some other stuff that may interest you, our visitors. Take a look [HERE](#) Don't forget, if you are an [Audi Owners Club Member](#) and have a cheque book you can order goods direct from the club- with possibly even more discount (in some cases) than Amazon offer.
