At the Essen Motor Show from 1 to 10 December, Audi is presenting its R8 mid-engined sports car and its new TT Roadster - just two days after making its world debut in Los Angeles. The Audi S3 is celebrating its German debut at the Audi stand. New Audi Genuine Accessories packages are available for the TT Coupé and the Audi Q7.

The Audi exclusive customisation programme and the Audi lifestyle articles from quattro GmbH will also be on show. An attractive feature for motorsport fans is the chance to admire the Audi R10 TDI racing car at the Audi stand.
